

## **Alumni Summer Volunteer Program 2023**

**Who:** Mandela graduates who have completed their sixth grade year and are in good-standing at their current school.

**What:** Alumni volunteers will assist one or more team members with the activities that scholars will be involved in or around the building. Volunteers will be asked to complete tasks, assist in the classroom and/or assist with afternoon activities. It is important for the volunteer to be responsible, honest, trustworthy, and respectful. Volunteers will remain with their designated assignments unless otherwise assigned.

**When:**

June 7-16: In Session

June 19: Juneteenth, No School

June 20-30: In Session

July 3-7: Break, No School

July 11-27: In Session

Volunteers can volunteer for a full day (8:00-3:30) or a half-day (8:00-12:00/12:00-3:30) for as many days of the week as they are available. We welcome alumni volunteers even if they can't commit to the full summer, but ask that they commit to a minimum of two weeks.

**Where:** Nelson Mandela Elementary/Field Trips around the Omaha metro area on Fridays

**Why:** Alumni volunteers are an essential part of the Meerkat family. They bring both enthusiasm and their capability to act as mature role models. They also bring an extra set of hands to help our team members maximize the fun and academic success of the summer programming for our scholars. The summer is also a great opportunity for alumni to connect with other alumni and stay connected to Nelson Mandela Elementary.

**How:** Interested applicants must submit an application online no later than April 30, 2023.
